

Read4Nature

-Science in Our Picture Books-
Coming to a library near you in July and August 2012

Inviting:

Picture book lovers, natural science enthusiasts, grandparents, parents, childcare workers, ...

To a free workshop

led by environmental educator Jeanie Clark to **discover:**

- **picture books** for nature in the library
- **skills** for reading these with children
- **ideas** for using these to develop a love of nature in children

AND

- **help create** a follow-up National Science Week event (at the same branch library in mid August 2012)

Please **book for the workshop** by dates below
with the local branch librarians by phone or email the branch library
