

## List of Books in the Read4Nature Resources

The books are organized alphabetically by title.

The coloured square tells you which of the three resource groups each book can be found in: mine; the Jeparit Primary School/MARC library; or the Wimmera Regional Library Corporation – 8 branches.

The last column tells you which part of the resources it will be found in: bush, farm or marine picture books.

Use this information on the enviroed4all's website to select the link in the Read4Nature resources, where you will find the book's resource sheet – in a dropbox.

The resource sheet has the review of the book for its Science content and suggestions about how you could use it for Science activities and as a link to other books.

<b>Title</b>	<b>Author</b>	<b>My picture books</b>	<b>JPS MARC</b>	<b>WRLC</b>	<b>bush, farm, marine</b>
